FOUNDER' DESK

Greetings To All

As the founder of this hospital, I am proud to share our continued commitment to providing exceptional and affordable healthcare since the past 24 years.

Our mission is to offer compassionate, patient-centered care, ensuring every individual receives the attention and expertise they deserve.

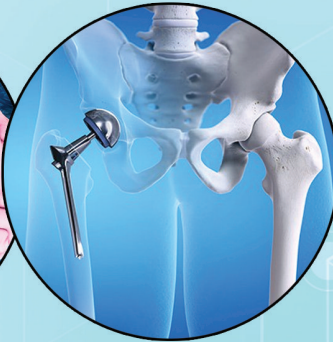

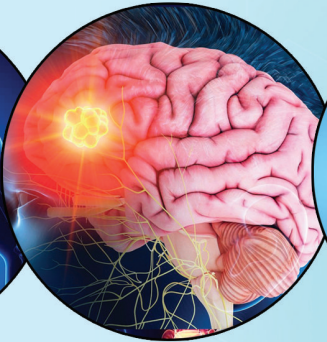

We believe in fostering a healing environment where innovation meets tradition, empowering our skilled staff to deliver the highest standards of medical excellence. Together, we aim to build a healthier community, one patient at a time.

Thank you for trusting us with your health. We look forward to serving you and your family.

*Warm regards,
Dr. Kushanava Pabi (Founder and Director)
